

## **SEARCHING FOR A MINIMALLY INVASIVE GYNECOLOGY SURGERY NURSE PRACTITIONER OR PHYSICIAN ASSISTANT**

Scripps Clinic Medical Group (SCMG) is a multi-specialty group with just over 1000 physicians and advanced practice clinicians serving San Diego and the surrounding region. Established more than 50 years ago, it is recognized as one of the premier medical groups in the country and boasts an excellent reputation in over 60 medical and surgical specialties.

### General Description

Scripps Clinic Medical Group (SCMG) is looking for a nurse practitioner or physician assistant for a Minimally Invasive Gynecology Surgery (MIGS) practice in San Diego, CA. Lifestyle friendly job with competitive salary, great benefits and potential for growth. You will be under the generalized supervision of physicians in the subdivision of MIGS. This is a gyn-only practice with time spent as first assist in complex benign gyn cases (laparoscopic, robotic mostly) and in-office work seeing a variety of gyn patients. In your practice you will be providing care as a highly specialized practitioner.

### Key Responsibilities

- See new consults with a physician and provide follow up care independently.
- Be able to independently obtain history, perform physical examinations, develop management plan.
- Have excellent note writing skills.
- Have excellent communication skills.
- Be able to educate patients and/or families as to the nature of disease and to provide instruction on proper care and treatment.
- Be able to perform procedures in the clinic.
- Take care of the office “in basket” which consists of lab results/imaging review, respond to patient calls and patient emails.
- Be able to support office nurse and clinic staff with clinical questions.
- Notify physician regarding any unusual or unexpected event
- Work well with fellows or residents.
- Should have knowledge of primary care and general OBGYN principles and practices.
- Should be able to participate in the clinical training of new staff in clinic.
- Stay current of clinical knowledge by attending conferences or self-directed education.
- May need to help with clinical research

**Surgical Practice**

- Have excellent knowledge of OR procedures and be able to assist surgeries.
- Be able to place pre and post operative orders
- May need to round, write progress notes and formulate discharge plan for post operative patients if they are admitted to the hospital.
- Work with scrub technician to get the room ready for surgery.

**GYN Call**

- Home call under supervising doc, (approx. 6 days per month) with rare possibility of needing to scrub in for emergent surgeries.

**Skills/ Experience**

A DEA license and an unrestricted license to practice in California.

Should have had surgical rotations during training or should have completed a certification for surgical assisting.

**Benefits**

- Competitive benefits (health, dental, life insurance, LTD) package including 401(k) Plan, discretionary bonuses and many voluntary benefits.
- CME and Licensure Allowance.
- Scheduled to work 46 weeks in a calendar year.
- EPIC EMR in all hospitals and clinic offices.
- Live and work in beautiful coastal San Diego.

**Compensation:**

In compliance with the California Pay Transparency Act, Scripps Clinic Medical Group posts the pay range for our open positions. Please note that actual pay will be determined based on relevant experience within the pay range. Scripps Clinic Medical Group strives to ensure that our employees receive equal pay for equal work in line with our commitment to being an equal opportunity employer. Base salary estimated based on experience: \$120,000.
