

SEARCHING FOR A NEUROLOGY PHYSICIAN ASSISTANT

Scripps Clinic Medical Group (SCMG) is a multi-specialty group with just over 1000 physicians and advanced practice clinicians serving San Diego and the surrounding region. Established more than 50 years ago, it is recognized as one of the premier medical groups in the country and boasts an excellent reputation in over 60 medical and surgical specialties.

General Description

Looking for a physician assistant who would be able to assist in the care of patients with underlying neurological conditions with particular focus on patients with neuromuscular disorders including peripheral neuropathies, muscle disease and myasthenia gravis.

Key Responsibilities

- Assess patients with neurological complaints independently and in collaboration with the supervision physician(s)
- Perform follow-up care on patients
- Coordinate care for neurology patients
- Collaborate with other providers such as the referring primary care physician
- Call patients to discuss results, help set up plan of care, and answer their questions as needed
- Order and manage laboratory and radiology findings
- Assistance with prior authorizations
- Management of medications
- Provide education to neurology patients
- Participate in conference and related continuing medical education

Skills/ Experience

This position requires a current California PA license, DEA and Delegation of Services Agreement or Standardized Procedures

At least one year of experience in clinical practice

Experience in EPIC or other electronic medical record systems
