

## **SEARCHING FOR AN OTORHINOLARYNGOLOGIST NURSE PRACTITIONER**

Scripps Clinic Medical Group (SCMG) is a multi-specialty group with just over 1000 physicians and advanced practice clinicians serving San Diego and the surrounding region. Established more than 50 years ago, it is recognized as one of the premier medical groups in the country and boasts an excellent reputation in over 60 medical and surgical specialties.

### General Description

The Nurse Practitioner functions as an independent healthcare provider who, working collaboratively within a multidisciplinary health team, including 7 Otolaryngologists, is responsible for providing comprehensive care to both well and ill patients in an outpatient setting. He/she demonstrates a high degree of clinical expertise in working with patients with acute and chronic illnesses commonly encountered in Adult Otolaryngology. He/she is responsible for assessment, diagnosis, treatment, management, education, health promotion and care coordination for patients and families with acute and chronic health needs. The Nurse Practitioner demonstrates an advanced level of medical/nursing clinical knowledge, communication and interdisciplinary collaboration, professionalism and systems-based practice. He/she works with administration, nursing, and physicians to assure safe, effective, quality patient care and to promote Scripps' missions.

The Nurse Practitioner will provide care within his/her scope of practice as outlined by applicable state law, licensing, regulations, institutional policy, credentialing, and practice agreements. The Nurse Practitioner will need to be credentialed and obtain and maintain professional privileges required for employment within this Department.
