

HEALTH EXPRESS IS SEARCHING FOR A NURSE PRACTITIONER OR PHYSICIAN ASSISTANT

Scripps Clinic Medical Group (SCMG) is a multi-specialty group with just over 1000 physicians and advanced practice clinicians serving San Diego and the surrounding region. Established more than 50 years ago, it is recognized as one of the premier medical groups in the country and boasts an excellent reputation in over 60 medical and surgical specialties.

General Description

Scripps HealthExpress is comprised of convenient care clinics that provide the right care at the right place at the right time for our patients. We work in a collaborative environment, respect our APCs, and strive for a work/ life balance.

The Scripps HealthExpress Clinic Advanced Practice Clinician (APC) works autonomously, providing first line acute care for minor conditions under supervising physicians. The APC works to ensure prompt and convenient access for scheduled and walk-in patients utilizing in-person and telehealth modalities, strives to ensure successful growth of the practice, and provides excellent representation of Scripps in all professional aspects. When necessary, the APC facilitates transfer to a higher level of care to the patients' primary care provider/care team, specialty, and/or urgent care or emergency department.

The APC is expected to meet the highest standards for clinical capability, competence, professional education, quality improvement and overall excellence in patient care delivery. The position requires a current California Nurse Practitioner or Physician Assistant license and DEA furnishing certificate.

Key Responsibilities

- Provides medical care for common acute conditions, including, but not limited to:
 - o Minor infections, including those involving the respiratory, genitourinary, dermatologic, ocular, and gastrointestinal systems
 - o Musculoskeletal complaints and minor injuries
 - o Asthma, allergy
- Able to diagnose and treat patients from age 5 and up
- Reports to Supervising Physician and to APC Supervisor on a regular basis and to Medical Director

- Works with operational team to ensure a smooth operation of clinic services
- Provides immunizations as required
- Is adept at POC testing (Point of care)
- Recognizes limits of care and discusses cases with supervisor appropriately

Skills/ Experience

- Has excellent clinical judgement & demonstrated competence in acute care delivery
- Adheres to the latest evidence-based clinical standards
- Has special interest in the establishment and growth of increased health access points for patient care
- Is comfortable with independent practice with at least one year of clinical experience.
- Has flexibility in schedule and duties to include “on call”
- Is proficient in use of electronic medical records (EPIC or equivalent EMR)
- Interest in process improvement
- Is committed to professional self-improvement and continuing education
- Works well in a team setting
- Is certified in BLS
- Supports all the institution’s mission and goals
- Is willing and capable of completing daily checks for quality control of meds, tests and equipment.

Requirements:

- Active NP or PA license to practice medicine within the state of California
- >1 year of clinical APC experience.
- Active furnishing license (NP only)
- DEA license and completed controlled substance course (PA only)

Benefits

- Competitive benefits (health, dental, life insurance, LTD) package including 401(k) Plan, discretionary bonuses and many voluntary benefits.
- CME and Licensure Allowance.
- Scheduled to work 46 weeks in a calendar year.
- EPIC EMR in all hospitals and clinic offices.
- Live and work in beautiful coastal San Diego.
