

## **SEARCHING FOR ORGAN TRANSPLANT PHYSICIAN ASSISTANT/ NURSE PRACTITIONER**

Scripps Clinic Medical Group (SCMG) is a multi-specialty group with nearly 1,100 physicians and advanced practice clinicians serving San Diego and the surrounding region. Established more than 50 years ago, it is recognized as one of the premier medical groups in the country and boasts an excellent reputation in over 60 medical and surgical specialties.

### General Description

Scripps Clinic Medical Group, Division of Transplant Surgery is looking for an Advanced Practice Provider, Physician Assistant or Nurse Practitioner to provide medical care for liver transplant patients or hepatology patients in an outpatient clinic located in Scripps as well as remote outreach clinics at the direction of transplant surgeons and physicians. The candidate will interact closely with a large multi-disciplinary group including surgeons, physicians, pharmacists, dieticians, nurse coordinators, nurses, trainees (fellows, residents, and physician assistant students), as well as consulting services across the medical center, region and out of state. The candidate must be detail oriented, well organized, adaptable to a fast-paced environment, and an excellent communicator and team player. The candidate will have opportunity to participate in quality improvement and clinical research projects, depending on area of interest.

The position requires a current California License, NP Furnishing Number (for NP's) or Physician Assistant and DEA Certification.

### Key Responsibilities

- Take patient histories, conduct physical examinations, and record the data in the patient's EMR; EPIC; write progress notes and narrative discharge summaries; prepare patient workups and summaries noting pertinent positive and negative findings. Order and schedule laboratory studies and diagnostic procedures; explain the necessity, preparation, nature and anticipated effects of scheduled diagnostic and therapeutic procedures to the patient.
- On call responsibilities optional
- Train new personnel.
- Staff outreach clinics in the San Diego region to build practice and referrals.

### Skills/ Experience

Committed to the highest clinical standards. Objective judgment and willingness to work in a team setting. Able to work at highest level of licensing. Demonstrated excellent organization and time management skills and excellent interpersonal skills with patients, families and health care workers. Comfortable with the use of an electronic medical record (EPIC), given adequate training. Flexibility to work evenings and weekends. Respected by colleagues and ancillary staff. Strong and adaptable communicator. Supportive of Medical Group's mission and goals.

**Preferred qualifications for Physician Assistant or Nurse Practitioner:** minimum of one year experience desired in the field of Hepatology or abdominal transplantation.

### Benefits

- Competitive benefits (health, dental, life insurance, LTD) package including 401(k) Plan, discretionary bonuses and many voluntary benefits.
- CME and Licensure Allowance.
- Scheduled to work 46 weeks in a calendar year.
- EPIC EMR in all hospitals and clinic offices.
- Live and work in beautiful coastal San Diego.

### Compensation:

In compliance with the California Pay Transparency Act, Scripps Clinic Medical Group posts the pay range for our open positions. Please note that actual pay will be determined based on relevant experience within the pay range. Scripps Clinic Medical Group strives to ensure that our employees receive equal pay for equal work in line with our commitment to being an equal opportunity employer. Range based on experience: \$150,000-\$165,984/year.
